'HOME OF THE HAWKS'

April 26, 2022

Dear FLE Families,

As April is ending and May is quickly upon us, I am happy to say that our school is getting back to normal. Our intermediate teachers are preparing students for Track and Field, field trips are happening, volunteers are back in the school and the students are able to be together without being in cohorts.

Two years ago, we received a grant from Stream of Dreams. Next week, students will finally be able to paint wooden fish and hawks that will be hung as a mural on the school fence. We are looking for parent volunteers to help hang the fish and hawks on Thursday, May 5th beginning at 9:00 a.m. The representatives from Stream of Dreams will be at the school assisting in creating the mural. Please join us for this community moment.

Important Dates

April 29 th	Twins and Triplets Spirit Day
May 5 th	Fun Lunch – Sushi
May 2 nd -5 th	Stream of Dreams – Volunteer Day May 5 th @ 9:00 a.m.
