'HOME OF THE HAWKS'

June 29,, 2022

Dear FLE Families,

The school year is about to come to an end and on behalf of myself and the FLE staff we would like to say thank you for your support and patience during this past year. We are looking forward to September and returning to a normal school year with all the events and activities that our school community enjoys.

Although we were not able to do many things this year, the students were happy to have basketball, sports day, return to field trips and the Grade 7 Celebration. It simply felt amazing for all of us! Watching our parent volunteers run in a parent race on Sports Day was fantastic!

I wish all of you a wonderful and safe summer. Enjoy making many memories and we will see all of you in September.

Staff Leaving

Judy Brocklebank has been the counsellor at FLE for the past several years. Judy is retiring and we wish her all the best in her well-deserved retirement. Thank you for helping so many of our students. You will be missed.
